# PolyHack

Sponsorship

PolyHack

---

# Something About Us

The 1st student driven Hackathon for all PolyU students

Two themes: Education for all; Health matters

Where students innovate

An opportunity for students to showcase their talents in various aspects

# Why Sponsor

## Recruit students with high potential

- See their work in 1st hand

## Brand exposure

- PolyU has the largest number of students among all universities of Hong Kong

## Increase engagement with API-developer ecosystem

- A chance to promote your APIs to future developers

# Returns

Depending on tier, you get:

- Logo on all our promotional items
- Distribute promotion stickers during the event
- Distribution of promotion materials
- Keynote session during the opening
- Set up promotion counter in the venue
- Post on our on-site job board

\* Sponsorship in-kind also welcomed
